

CERTIFICATE OF COMPLETION

This certificate is proudly presented to

黃熹澄

大埔舊墟公立學校

in recognition of the successful completion of the project :

AI Singer | Elderly & Youth Together • Unleashed Potentials

This project included 6 hours of AI-Creative Design Thinking training, 2 hours of social service at an elderly centre, 2 hours of service at the annual exhibition and awards ceremony held at Tai Kwun Centre.

This certificate acknowledges the student's creativity, empathy, and meaningful contributions toward fostering cross-generational bonding and strengthening the connections between schools and the wider community.

AI Singer is a two-year charitable Art-Tech initiative organized by ICT-In-Physical Education Foundation, and sponsored by the Funding Scheme for Children's Well-being and Development funded by the Commission on Children.
